

CONTENTIXX 2020

The Content Marketing [Un] Conference of the "Scene". Who knows the SEO Campixx should absolutely keep an eye on the Contentixx. As an independent conference out of the series of Campixx events, there will be lectures and workshops on content marketing on two well-filled days. Speakers from renowned companies, agencies, startups and freelancers pass on their knowledge and experience here. Here, the "Operatives" meet for an exchange on equal terms. Each participant can give a talk if he meets a minimum standard. For many years, the CONTENTIXX is an insider tip. The two-day event will be rounded off by a great deal of networking and a large evening program designed to bring participants together.
