

SEO CAMPPIXX 2020

The SEO Un-conference of the SEO scene. Immediately after the content marketing conference Contentixx, the well-known SEO Campixx starts in the same location. This is where the core of the SEO scene has been meeting for the past 10 years and will be providing up to 120 sessions with all sorts of interesting facts and news about SEO. Not only well-known names of the scene will be present, also the makers from the background will pass on their knowledge and will be in the midst of the lectures instead of just being there. A colorful framework program provides variety, because who works hard should also have fun.
